	<p>Motor Carrier Safety Fitness Certificate Regulations, to define “safety fitness certificate” and provide a framework to enable provinces and territories to implement, consistently across Canada, a safety rating system for extra-provincial motor carriers. Provinces and territories would monitor the safety performance of all extra-provincial motor carriers licenced (“base-plated”) in their jurisdiction by maintaining a complete safety compliance profile of each motor carrier, using input from all jurisdictions in which those carriers operate. A carrier rated “Unsatisfactory” would be prohibited from operating on Canadian roads. These Regulations would repeal the Extra-Provincial Truck Undertaking Licencing Regulations that set out insurance and safety fitness requirements.
